MOTTO

ACKNOWLEDGMENTS

In the name of Allah, The Most Gracious and The Most Merciful. And, peace be upon him to the most influential human in the world, prophet Muhammad Shallallahu ‘Alaihi Wa Sallam. Alhamdullilah, all praises to Allah. Because of his grace, mercy, and blessings, and the researchers has comleted this thesis entitled “Using AI Chatbots as Speaking Partners: A Study on EFL Speaking Proficiency”.

This research proposal was accomplished to fulfill the requirement for obtaining a bachelor’s degree (S1) in English Edcuation Program, Teaching and Training Faculty, Universitas Maritim Raja Ali Haji (UMRAH). The researcher realizes that this thesis wouldn’t be complete without prayers, struggles, support, encouragement, guidance, and assitence from various side, either mentally or materially. Therefore, the researcher would like to express her deepest and biggest gratitude to:

1. Prof. Dr. Agung Dhamar Syakti, S.Pi., D.E.A., as the Rector of Universitas Maritim Raja Ali Haji who has given researcher the chance to study and gain precious in knowledge in the university.
2. Assist. Prof. Ahada Wahyusari, S.Pd., M.Pd., as Dean of Faculty Teacher Training and Education of Universitas Maritim Raja Ali Haji.
3. Assit. Prof. Dewi Nopita, S.Pd., M.Pd., as Head of the Language and Arts Education Department of Universitas Maritim Raja Ali Haji
4. Assit. Prof. Benni Satria, S.Pd., M.Pd., as Secretary of the Language and Arts Education Department of Universitas Maritim Raja Ali Haji and as her

academic advisor. Thank you for the help, guidance, care, advice and motivation given from the first semester

5. Assist. Prof. Dewi Murni, S.S., M.Hum., as the coordinator of the English Education Study Program of Universitas Maritim Raja Ali Haji. And as her first advisor. Thank you for all the help, advice, guidance, time, and patience given throughout the process of mentoring this thesis. It's such an honor to be able to be mentored by her.
6. Dr. Erwin Pohan, S.Pd., M.Pd., as her second advisor. Thank you for all the help, advice, directions, insights, time, patience, and suggestions given which guided the researcher to complete this thesis. It is such an amazing opportunity to be his advisee.
7. All the lecturers of the English Education Study Program who have given and taught many new and useful things, and also for the Educational Staff who have taken parts throughout the process her study. Without them, the researcher wouldn't be able to gain a bachelor's degree
8. The researcher would like to extend heartfelt gratitude to her beloved parents and family for their endless love, prayers, and encouragement. Their continuous support has been the greatest motivation for the researcher in accomplishing this work.
9. Especially to bunda, Sefitri Cahaya Mega, who never stops praying for the researcher even from afar. Her endless love, prayers, and sacrifices have been the light that guided every step of this journey. Thank you for being the greatest source of strength in the researcher's life a mother who always

tries to appear strong in front of her children and who has played the role of both mother and father with immeasurable love. Without her presence and unconditional affection, this journey would never have come this far. May she always be blessed with health and happiness.

10. To ayah, Hendri Gunawan, the researcher's first love and lifelong role model. Thank you for being the foundation of the researcher's life, always standing at the front line to protect and support. He has been a father the researcher can always rely on strong, patient, and full of love. Thank you for the tireless hard work, for working day and night so that the researcher could pursue higher education and never feel any lack in life. Even though they rarely meet and have been separated until now and perhaps for the next few years, his love and sacrifices have never faded. Although he never had the opportunity to experience formal education himself, this degree and achievement are wholeheartedly dedicated to him.

11. To her beloved younger siblings, Davina Octa Hendriawan and M. Kadavi Hendriawan, thank you for being the light and joy in the researcher's life. Their laughter, support, and innocent words have always been a source of motivation during difficult times. Even though they are often far apart, the researcher always carries their love and warmth in every step of this journey.

12. To her dear cousin sisters, Yallina Permata Sari and Selvia Rastian Dani, thank you for always being there for the researcher through care, advice, and constant encouragement. They have been like older sisters who

continuously provide strength, understanding, and motivation throughout this journey.

13. To all her friends in a group named Brimngas: Nesha Anggraini Panjaitan, Nawa Gigantika Halim, Nadia Ardiyanti, Siti Faradilla Putri, and Sherly Angelina. Thank you for filling the researcher's days with laughter, support, and unforgettable memories. Their friendship has made this journey more colorful and meaningful.

14. To all her friends in a group named Holiskuat: Raimon Tampubolon, Gustia Andini, Putri Nabila, Rendy Syafutra, Nawa Gigantika Halim and Riko Apriliano. Thank you for being wonderful companions throughout the process of writing this thesis, for spending countless hours together at Kopi Kenangan, and for sharing stories, laughter, and motivation that made the journey lighter and more enjoyable.

15. Last but not least, to herself, the researcher would like to express gratitude for never giving up, even when the days felt heavy and the nights were filled with doubt. Thank you for staying strong and continuing to move forward despite every challenge. This achievement stands as proof that every effort, no matter how small, truly matters.

The researcher hopes that this research can bring positive impacts to the readers, and be beneficial to others. The researcher acknowledges that this research proposal is far from perfect. Therefore, the researcher remains open to constructive criticisms and suggestions to help him build and become better in the future.

Tanjungpinang, 14 November 2025

The researcher,

Anggi Octa Hendriawan
