ACKNOWLEDGMENTS

Assalamu'alaikum warahmatullahi wabarakatuh.

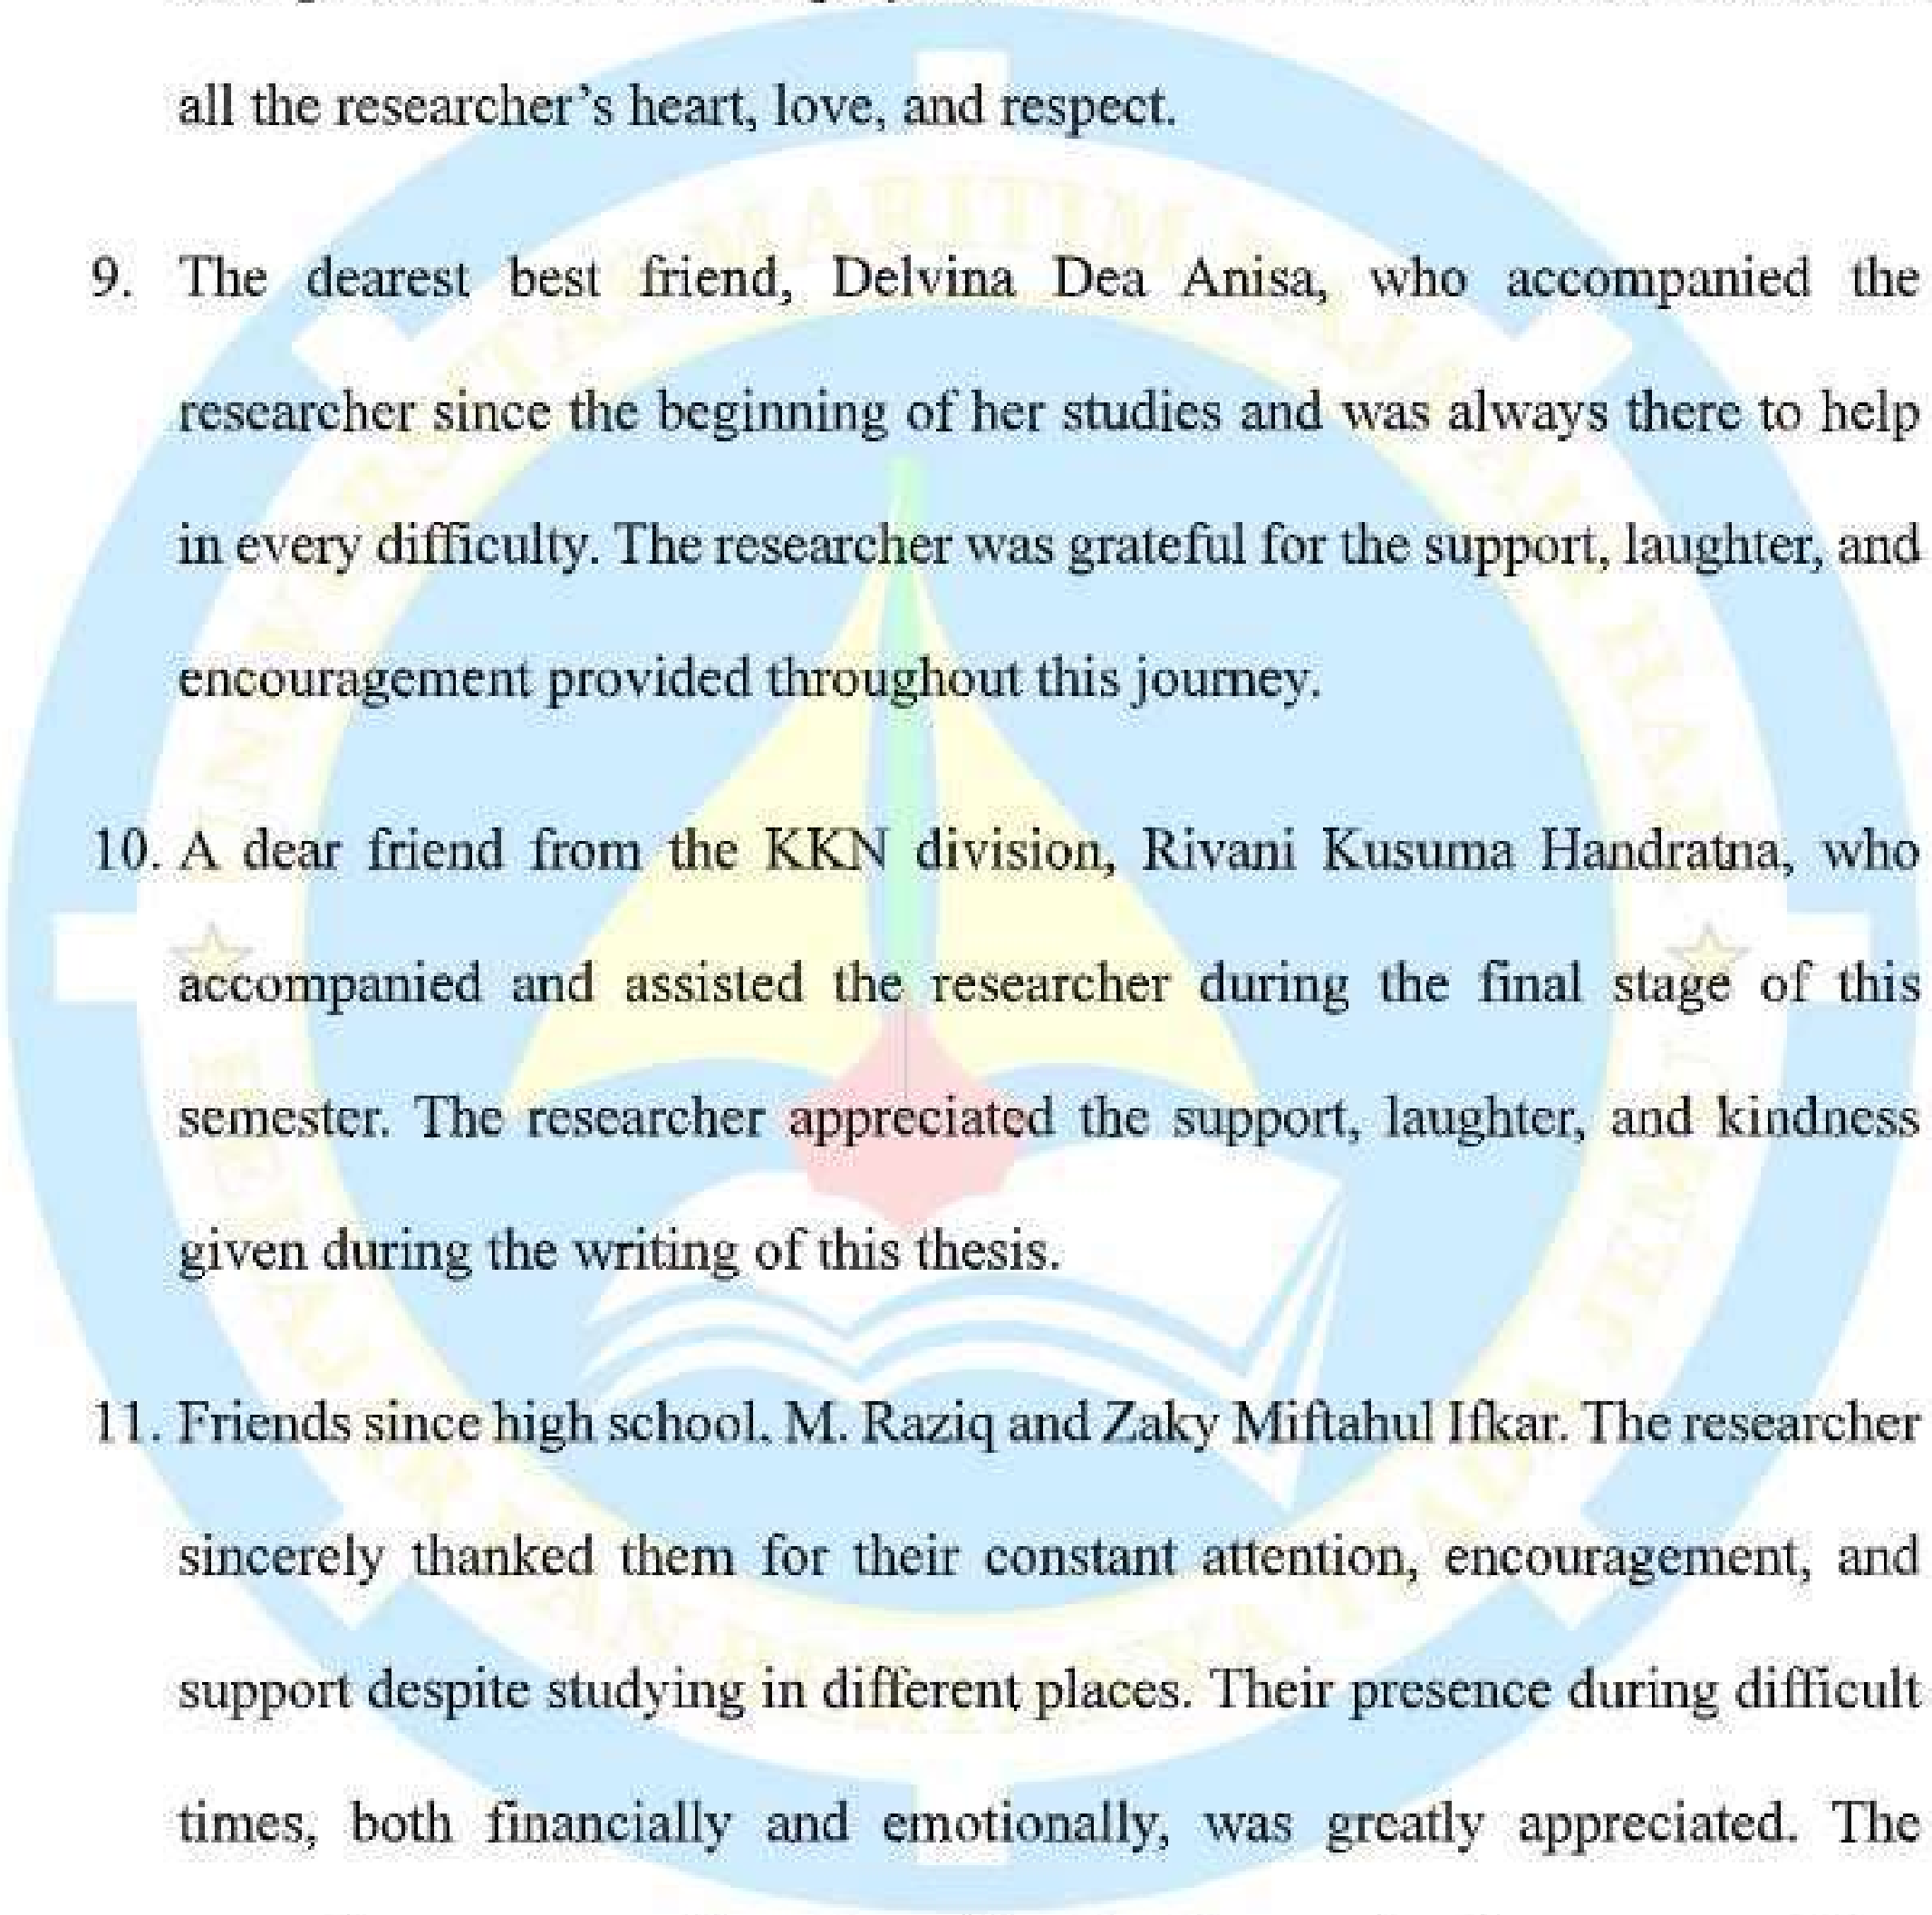

In the name of Allah, the Most Compassionate, the Most Merciful. May peace and blessings be bestowed upon the noblest of humankind, Prophet Muhammad, peace be upon him.

Alhamdulillah, all praise was due to Allah Subhanahu Wa Ta'ala. By His grace, mercy, and blessings, the researcher was able to complete this thesis entitled *“The Effect of Using Mind Mapping Technique on Reading Maritime Context Report Text at SMPN 7 Tanjungpinang.”*

This thesis was submitted as one of the requirements for obtaining a Bachelor's Degree (S1) in the English Language Education Study Program, Faculty of Teacher Training and Education, Universitas Maritim Raja Ali Haji (UMRAH). The researcher realized that this thesis would not have been completed without the prayers, struggles, guidance, and support from many parties, both morally and materially. Therefore, the researcher would like to express sincere gratitude to:

1. Prof. Dr. Agung Dhamar Syakti, S.Pi., DEA., Rector of Universitas Maritim Raja Ali Haji.
2. Ahada Wahyusari, S.Pd., M.Pd., Dean of the Faculty of Teacher Training and Education, Universitas Maritim Raja Ali Haji.
3. Assist. Prof. Dewi Nopita, S.Pd., M.Pd., Head of the Department of Language and Arts Education, Universitas Maritim Raja Ali Haji.

4. Assist. Prof. Dewi Murni, S.S., M.Hum., Coordinator of the English Language Education Study Program (ELESP), Universitas Maritim Raja Ali Haji.
5. Assist. Prof. Pradipta Agustina, S.HUM., M.Pd., the first supervisor. The researcher sincerely expressed her deepest gratitude for her invaluable guidance, insightful advice, constructive feedback, and endless patience throughout the process of writing this thesis. It was a great honor to be under her supervision.
6. Assist. Prof. Hanifah, S.Pd.I., M.Pd., the second supervisor as well as the Academic Advisor, who provided guidance, direction, and meaningful attention throughout the process of conducting this research. The researcher was deeply grateful for her time, patience, and commitment in providing constructive feedback, which enabled the researcher to improve and enhance the quality of this research. Her academic support, motivation, and thorough guidance were instrumental in helping the researcher complete this work more effectively.
7. All lecturers of the English Language Education Study Program, Universitas Maritim Raja Ali Haji, who sincerely guided, shared valuable knowledge, and supported the researcher throughout her studies. May they always be blessed with good health, safety, and protection from Allah Subhanahu Wa Ta'ala.

- 
8. The beloved parents, Mr. Nasri Efendi and Mrs. Herdawati, who were always the researcher's greatest source of strength. The researcher was deeply grateful for their unceasing prayers, unconditional love, and countless sacrifices. None of the researcher's achievements would have been possible without their prayers and love. This thesis was dedicated with all the researcher's heart, love, and respect.
 9. The dearest best friend, Delvina Dea Anisa, who accompanied the researcher since the beginning of her studies and was always there to help in every difficulty. The researcher was grateful for the support, laughter, and encouragement provided throughout this journey.
 10. A dear friend from the KKN division, Rivani Kusuma Handratna, who accompanied and assisted the researcher during the final stage of this semester. The researcher appreciated the support, laughter, and kindness given during the writing of this thesis.
 11. Friends since high school, M. Raziq and Zaky Miftahul Ifkar. The researcher sincerely thanked them for their constant attention, encouragement, and support despite studying in different places. Their presence during difficult times, both financially and emotionally, was greatly appreciated. The researcher was grateful to have friends who continually encouraged her throughout every stage of this journey.
 12. Finally, the researcher would like to thank herself for persevering, struggling, praying, and overcoming every challenge during the process of

writing this thesis. The researcher was grateful for her determination, patience, and resilience that accompanied this journey until it was successfully completed.

The researcher hoped that this thesis would provide benefits to readers and future researchers. The researcher also realized that this thesis was far from perfect. Therefore, constructive criticism and suggestions were sincerely welcomed for future improvement.
