MOTTO

Jika kamu ingin menguji karakter seseorang, “HORMATI DIA ”. Jika dia memiliki karakter yang bagus, dia akan lebih menghormatimu. Namun, jika dia memiliki karakter buruk, dia akan merasa dirinya paling baik di antara semuanya.

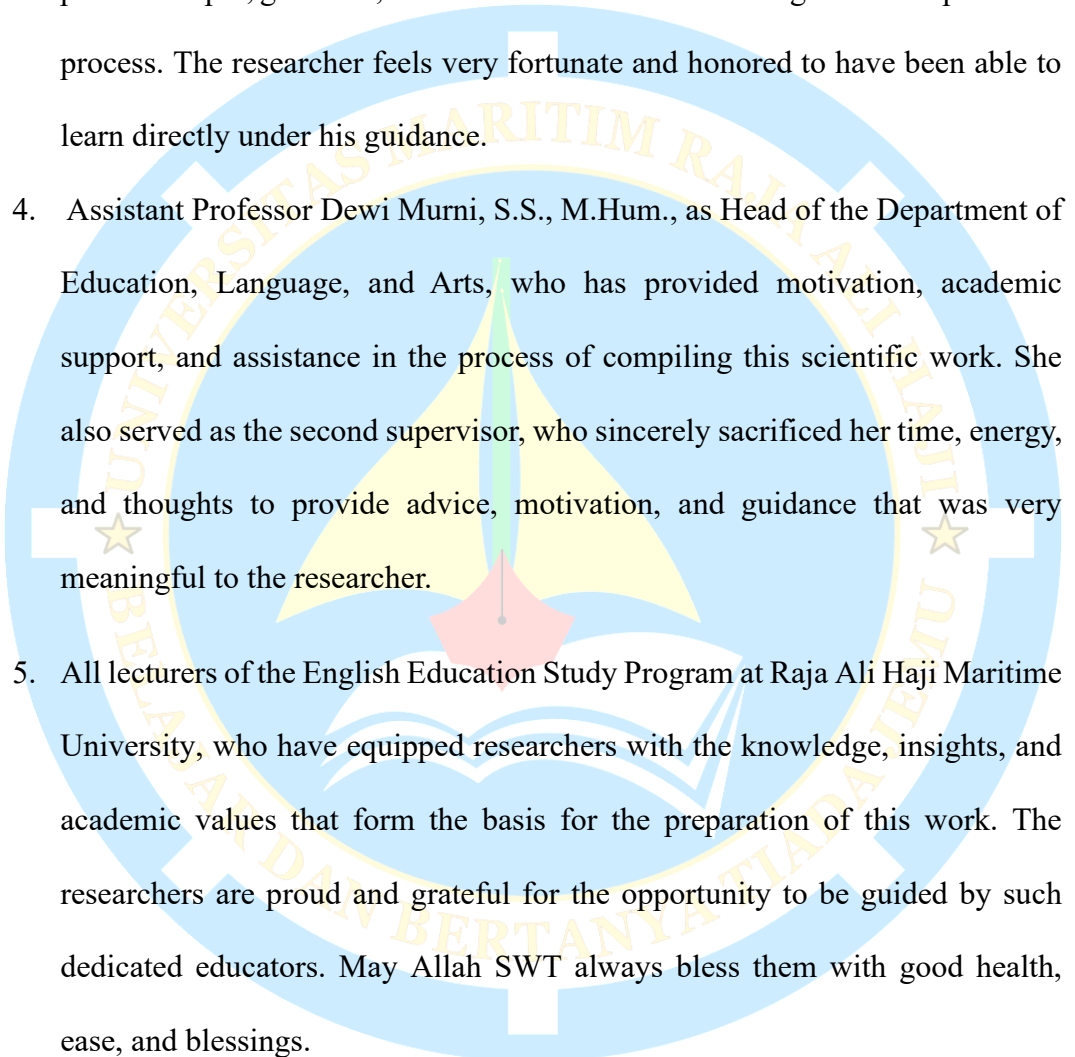

ACKNOWLEDGEMENT

The researchers express their gratitude to Allah SWT for His blessings, mercy, and guidance, which have accompanied them every step of the way until the completion of this research thesis, entitled 'Students' Perceptions of the Role of English in Determining Their Current Major and Career.' Without his help and permission, the preparation of this thesis would not have proceeded smoothly.

This thesis was prepared as one of the requirements for obtaining a Bachelor of Education degree in the English Education Study Program, Faculty of Education and Teacher Training, Raja Ali Haji Maritime University. In addition to being an academic requirement, this work is also expected to serve as an initial guideline for more in-depth research to be conducted by the researchers.

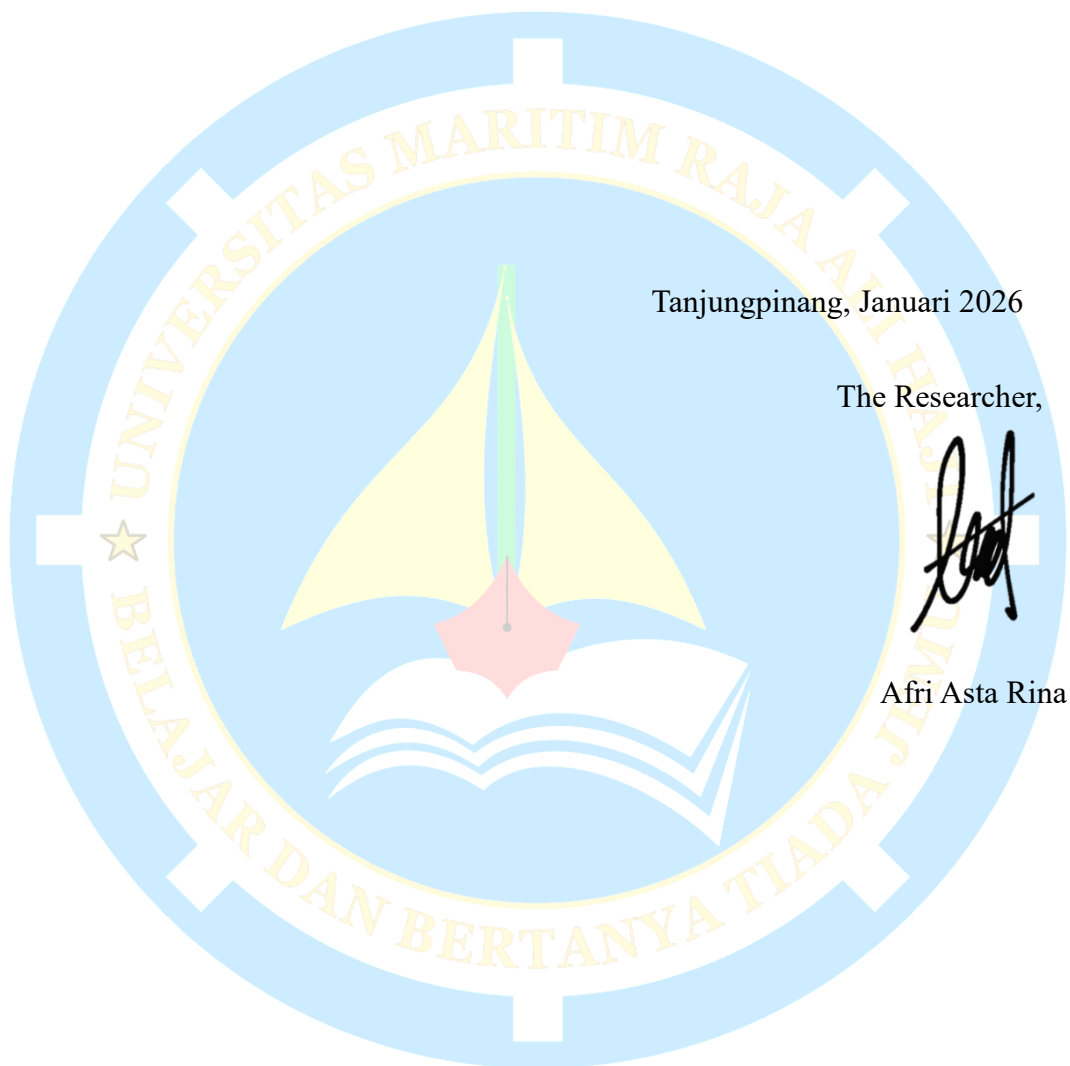

The researcher fully realizes that the success of this thesis is inseparable from the help, guidance, support, and prayers of various parties who have made valuable contributions, both morally, spiritually, and materially. Therefore, with all humility, the researcher would like to express their deepest gratitude and appreciation to:

1. Prof. Dr. Agung Dhamar Syakti, S.Pi., D.E.A As Rector of Raja Ali Haji Maritime University, who has provided opportunities and facilities for researchers to gain knowledge and develop their academic abilities within this university.
2. Assist. Prof. Ahada Wahyusari, S.Pd., M.Pd. As Decan of the Faculty of Teacher Training and Education, for the guidance, support, and wisdom that has always been given to all students, including researchers.

- 
3. Assistant Lecturer Benni Satria, S.Pd., M.Pd., as Secretary of the Department of Education, Language, and Arts, for his administrative assistance and support in academic activities that contributed to the smooth implementation of this research. At the same time, as the first supervisor, he patiently and thoroughly provided input, guidance, and constructive criticism throughout the supervision process. The researcher feels very fortunate and honored to have been able to learn directly under his guidance.
4. Assistant Professor Dewi Murni, S.S., M.Hum., as Head of the Department of Education, Language, and Arts, who has provided motivation, academic support, and assistance in the process of compiling this scientific work. She also served as the second supervisor, who sincerely sacrificed her time, energy, and thoughts to provide advice, motivation, and guidance that was very meaningful to the researcher.
5. All lecturers of the English Education Study Program at Raja Ali Haji Maritime University, who have equipped researchers with the knowledge, insights, and academic values that form the basis for the preparation of this work. The researchers are proud and grateful for the opportunity to be guided by such dedicated educators. May Allah SWT always bless them with good health, ease, and blessings.
6. Administrative staff of the Faculty of Teacher Training and Education who have assisted and provided friendly and prompt service in various academic and administrative matters.

7. My beloved parents, who never ceased to give love, prayers, encouragement, and moral and material support at every stage of my academic journey. All of my achievements to date are inseparable from their sincerity and sacrifice.
8. My roommate, RISK A PUTRI SARI, has always been by my side throughout my academic journey, from my very first days as a freshman until I finally earned my bachelor's degree. The support, friendship, patience, and encouragement she provided during my studies and while writing this thesis mean the world to me. Her presence and unwavering motivation were key factors in the completion of this thesis.
9. Thank you also to BTS, who have been with us all this time, through sad and happy times, and always spreading love throughout the world, teaching us what it means to fight and always bringing new light to everyone whose light is beginning to fade. You give them extraordinary love and affection.
10. To Kim Seokjin, the author would like to express his gratitude for giving him so much love and motivation in his life. When the author was sad because of a failed relationship, Kim Seokjin gave him great love by teaching him to love himself so that he would know what true love is.
11. And to all those who have helped, either directly or indirectly, through advice, motivation, or prayers, whom we cannot mention one by one. May Allah Subhanahu wa Ta'ala reward their kindness and sincerity with manifold rewards.

The researchers hope that this research thesis will benefit readers and contribute to knowledge in the field of education, particularly in the development of differentiated learning. The researchers realize that this work is far from perfect, and therefore welcome constructive criticism and suggestions for future improvements.
