ABSTRACT

Muhammad Farma, 2023: *The Influence of Experiential Marketing and Brand Image on Customer Loyalty of Keboon Café, Tanjungpinang City with Satisfaction as an Intervening Variable.* Supervisor Hj. Iranita, SE., M.Si and Ir. Firmansyah Kusasi. MBA.

This study aims to determine the effect of Experiential Marketing on customer loyalty through satisfaction, the effect of brand image on customer loyalty through satisfaction, the effect of Experiential Marketing and brand image partially on satisfaction, the effect of Experiential Marketing and brand image partially on customer loyalty and the effect of customer satisfaction on customer loyalty. The population in this study were all customers of Café Keboon Tanjungpinang. Determination of the sample using the incidental sampling method, with the sampling technique using the iteration formula to obtain 100 respondents. The data collection method used is a questionnaire / questionnaire. The analytical method used in this research is descriptive test, data quality test, classical assumption test, path analysis and hypothesis testing. The results of the analysis in this study show that customer satisfaction is able to mediate between Experiential Marketing and brand image on customer loyalty. Experiential Marketing partially has a significant effect on customer satisfaction, brand image partially has a significant effect on customer satisfaction. Experiential Marketing partially has no significant effect on customer loyalty, brand image partially has no significant effect on customer loyalty and customer satisfaction partially affects customer loyalty. Based on the research results, it is hoped that Café Keboon Tanjungpinang will continue to maintain and continue to strive to increase customer loyalty by paying attention to what factors can support customer loyalty other than through product quality and brand image.
