(Qr.Aruum60)

“ life can be heavy ,especially if you try to carry it all at once, part of growing up and moving into new chapters of your life is about is about catch or release, what I mean by that is, knowing what thing to release you can't carry all things, all grudges, all updates on your ex, all enviable promotions your school bully got at the badge fund his uncle started. Decide what is yours to hold and let the rest go”

(Taylor Swift)

"Don't delay something that is good for you, try to convince yourself to be more confident and always calm in facing a problem, and think positively about something maybe there is good if something happens that you feel and don't forget to be patient"
