MOTTO

In the Name Of Jesus Christ

“ All praise be to God, whose power works within us and enables achievements beyond what we could ever ask for or even imagine..”~ Ephesians 3 verse 20

“ So do not be anxious about tomorrow, for each day has its own challenges. The difficulties of today are sufficient for now.”~ Matthew 6:34

“Nunga hutangihon tangiangmi, nunga huida partangisonmi; ida ma, pamalumonku ma ho, di ari patoluhon i tarbahren ho ma nangkok tu joro ni Jahowa”

(I have heard your prayer, and I have seen your tears; behold, I will heal you; on the third day you will go to the house of the LORD ~ 2 Kings 20:5b).

Each of us has different thesis obstacles. Some are constrained because of their abilities. Some are constrained because of their finances, some are constrained because of other things. That's what makes the completion time different too.

One of the most important things is to live like running water because in 2 Chronicles 15:7 “But you, be strong, do not weaken your spirit, for there is a reward for effort”.

“ The secret to happiness lies not in seeking more, but in learning to appreciate and enjoy what little we already have..”

~Socrates

“ Difficult doesn't mean impossible. Don't blame yourself, and don't let your spirits drop. You are far more valuable than you imagine, and you are capable of surpassing your expectations.”

~ Rajasonang47

“ Even when I doubted myself, my mother was the first to believe that her child could overcome anything. Believe that wherever you feel successful, that's where your mother's prayers have reached the heavens.”.

PRESENTATION PAGE

" This dedication is dedicated to those who have been a light and strength in my life. Without your encouragement and love, this research wouldn't have reached this point. Thank you for believing in me and always being there."

(Alm. Bapak Kennedy Pakpahan & Ibu Tiasa Lubis)

To the researcher's beloved mother, who has been a pillar of support in his life, who has always prayed for him and provided encouragement, enabling him to reach this stage.

To my beloved father who has passed away though you are no longer here, the warmth of your presence still lingers. Look at your son now; he has reached the final stage of his journey.

(Rajasonang Family)

To brother Thiong Pakpahan, sister Christina Pakpahan, and sister Marissa Pakpahan

Thank you researchers who always encourage, motivate, give views, input during the thesis preparation process.
